This session gave me a firm understanding of behavioral economics as it relates to school lunchrooms.						
This session gave me a firm understanding of the 6 Principles guiding Smarter Lunchrooms Makeovers.						

This session gave me a firm understanding of the D.P.I.E. process.

This session gave me tools and strategies I will use in leading staff development in the future.

I understand how to expand and utilize my professional network to help support future Smarter Lunchrooms Makeovers.

I feel confident in my ability to collect and analyze lunchroom data, including tray waste, in my work with school lunchrooms.

I feel confident in my ability to apply the information covered in this session in my work with school lunchrooms.

I plan to enact a Smarter Lunchrooms Makeover in one or more schools or districts during the present or coming school year.

I would recommend this workshop to a colleague.
